## SUMMARY

---

Motivated Computer Science graduate with strong problem-solving abilities and a deep passion for technology. Eager to contribute to a forward-thinking organization, enhance technical expertise, and grow through continuous learning and innovation. Seeking a Front-End Developer role to apply skills in full-stack development, API integration, and modern web technologies.

## PROJECTS

---

### Pro Code Editor

[Link to Demo](#)

- Developed a web-based code editor supporting multiple programming languages with syntax highlighting and real-time code execution.
- Implemented advanced features such as theme toggling (dark/light mode), collapsible panels, and file download/share functionality.
- Designed a responsive and interactive UI using HTML, CSS, and JavaScript for smooth cross-device experience.
- Applied object-oriented programming (OOP) principles and modular architecture for scalable and maintainable code.
- Utilized LocalStorage to store user preferences and session data, improving persistence and performance.

### Weather App

[Link to Demo](#)

- Developed a responsive weather application that provides real-time weather updates using the OpenWeatherMap API.
- Implemented location-based data fetching with error handling for invalid or unavailable inputs.
- Designed a clean, intuitive UI using HTML, CSS, and JavaScript for seamless user interaction.
- Integrated dynamic background changes based on weather conditions to enhance the visual experience.
- Optimized API requests and UI rendering for improved performance and user experience across devices.

## EDUCATION

---

- **Masters (Computer Applications)** — NMIET, 2025–Present
- **Bachelor of Computer Science** — SPPU, 2022–2025 (GPA: 7.86)
- **Class 12th (HSC)** — 2021–2022 (56.36%)
- **Class 10th (SSC)** — 2019–2020 (83.20%)

## SKILLS

---

- **Technical Summary & Skills:** MS Office, Excel, SQL, PostgreSQL
- **Programming Languages:** HTML5, CSS3, JavaScript, Java, Python, C, C++, PHP, SQL, XML, AJAX, jQuery
- **Frameworks/Tools & Platforms:** Git, GitHub, APIs, Netlify, React.js, Node.js

- **Soft Skills:** Communication & Presentation, Teamwork, Time Management, Adaptability, Problem Solving
- **Languages:** English (Basic), Hindi (Fluent), Marathi (Fluent)
